

## Our Company

KTC Ventures was started by Marius van den Heever, Gareth Clark and Nigel Clark now with branches in Bloemfontein, Bethlehem Free State and Maseru Lesotho. KTC Ventures offers best of class services for Information Technology, Security Systems and Electronics.

## Our Vision

To be market leaders in the the fields we develop, and as such we plan to;

- Please our Customers beyond their expectations
- Empower our People to achieve greatness
- Be highly Profitable so as to generate wealth

Our products and services will be competitive in the market place, but there will always be a focus on quality and service. We will not be cheap at the cost of unmet expectations.

## Our Companies

*Bitsec Information Technology and Security Systems (Pty) Ltd*  
(Reg No.: 2013/131371/07)

KTC Ventures (Pty) Ltd SA holds 100% shares for BITSEC. BITSEC is a distributor of Information Technology and Security Systems which it imports directly. This enables KTC Ventures to be more competitive than other installers on pricing of supply items.

<http://www.bitsec.co.za>

*Electracorp*

*(Reg No.: 2004/084092/23)*

KTC Ventures (Pty) Ltd SA holds 55% share for Electracorp.

Electracorp is the company of 1<sup>st</sup> choice in the Eastern Free State for electronics and appliance repairs and is authorised by all major brands. This enables KTC Ventures to offer you a fast and quality warranty service due to the fact we repair all our own warranties.

(<http://www.electracorp.co.za>)

*KTC Ventures (Pty) Ltd Lesotho*

KTC Ventures (Pty) Ltd SA and its shareholders hold 100% share for KTC Ventures (Pty) Ltd Lesotho. KTC Ventures (Pty) Ltd Lesotho is a branch of KTC Ventures (Pty) Ltd SA offering the same products and services. KTC Ventures (Pty) Ltd Lesotho is majority Basotho owned.

## Our Directors

### **Marius Van Den Heever, Business Owner and Electronic Engineer**

11 years experience in the Electronic Technology and Security Systems Industries, management of multiple branches, including a Bethlehem based branch for a national company. Managing the day to day running of the shop, overseeing employees, completed daily admin, as well as setting and analysing of weekly/monthly budgets and targets.

Helped train and teach in Admin, Electronic repairs, and Customer relations; also regularly assisted regional management with budgeting and work flow tracking.

For the past 2 years has been the Managing Director of Electracorp – Servicing Bethlehem and the Eastern Freestate Region in the areas of tv, audio and appliance repairs, DSTV installations, computer repairs etc, and also worked further afield into 5 out of the 9 South African Provinces.

### **Gareth Clark, Business Owner and Systems Administrator.**

Qualified in Computing and Networking, A+, N+, Certified Wireless Network Administrator (CWNA) and Cisco Certified Network Associate (CCNA).

9 years experience in ICT Systems administration, including Linux and Windows systems environments, and Security Systems Consulting, Installation and Management.

5 years experience as a business owner, in the ICT and Security sectors, including business ownership, consulting, management of employees and customer relations. Developed a successful business and empowered others to provide quality technical support.

and concurrently;

9 years experience in the voluntary/faith sector, including leadership, project management, small business start up and mentoring. Opening up and developing initiatives to serve poor communities in Southern Africa.

**Nigel Clark, Business Owner and Management Consultant.**

Qualified in Purchasing, Contracts and Project Management via the UK Chartered Institute of Purchasing and Supply Management

16 years experience in governmental management, including procurement/purchasing/contracting, consultancy and project management, developing new methods of working in partnerships and using technology in the UK.

12 years experience in the voluntary/faith sector, including leadership, project management, events management, small business start up and mentoring. Opening up and developing initiatives to serve poor communities in Southern Africa

and concurrently;

7 years experience as an entrepreneur, in the hospitality and technology sectors, including business ownership, events management and consulting on business start up. Developing a successful business and helping young people do the same.

I have a particular focus on leadership development, business ethics, business planning and cross-cultural team dynamics.
